Surf School

Learn to surf at Benone Beach with an award winning and internationally accredited Surf School whose years of surfing experience and professionalism ensures the best tuition, safety and enjoyment.

2014 gave us the opportunity to work alongside the National Trust and incorporate Portstewart Strand as a second location, so now we are able to offer you a choice to suit your needs and the great thing is that both are Blue Flagged beaches and are within the Binevenagh Area of Outstanding Natural Beauty (AONB).

- Ratio of 10 students to one surf instructor.
- All equipment provided is high quality.
- Provisions in place for those with additional needs.

Day at the beach

Enjoy a combination of activities on this action packed day of Surfing, Surf Lifeguarding & Beach Challenges. Create a bespoke package designed around your group

1. Full day of surfing (Two Lessons)
2. Surfing and Surf Lifeguarding (Two Water Lessons)
3. Surfing and Beach Challenges (Wet and Dry Activities)

All equipment supplied.

Picnic and BBQs can also be organised on request

Board Riders

The Long Line team grew up around the area of Benone Beach where we learnt to surf and appreciate the natural beauty of the area, so one of the things we wanted to achieve when opening Long Line was to include children from the local community to create their own surfing lifestyle, hence the creation of our Surf Club "Board Riders"

- After School programme for 4 weeks with one session a week.
- All equipment supplied
- Transport can be organised
- Available to both Primary and Secondary
- In-School Assembly and Presentation Talks

Water Trails

Flow with Nature

Flow with nature on a Stand-Up-Paddleboard (SUP) through an Area of Outstanding Natural Beauty (AONB) with our internationally accredited SUP School whose years of experience and professionalism ensures the best tuition, safety and enjoyment.

Beginner lessons start on the River Roe where you are taught the basic flat water skills and techniques to this new and fast growing sport that can be enjoyed at a leisurely pace giving you time to take in the scenes while hearing about the heritage of the local area from our knowledgeable instructors.

07738 128 507

Get the drift

Once you have acquired all the necessary skills and gained confidence to venture further we have created a number of trails which flow on other waterways within the Binevenagh Area of Outstanding Natural Beauty that provide fantastic views of the Roe Estuary, Lough Foyle, Magilligan Point and underneath the iconic Mussenden Temple. These extended trails can be stand-alone adventures or designed as part of a bespoke package to include some of our other services.

Under the stars

Flow down the River Roe as dusk approaches to experience the tranquillity of the surrounding countryside and on clear evenings admire the setting sun while waiting for the moon and stars to start to appear as a reflection on the surface of the water. Supplied with head torches you will be guided by our experienced instructors along the river with only the sound of nature following behind you. This is a special trail that can only be undertaken by those with previous SUP experience or after you have received a beginner SUP lesson.

Giant Adventures

Expect the Unexpected

Giant Adventures offers a new type of adrenaline activity to the Causeway Coast in association with Long Line.

Using our unique 5.5 metre long (yes that's 18 feet long) Stand Up Paddle Board / Surfboard we can take groups of up to 8 people on one giant board to experience either open water surfing or an inland flat water adventure.

Giant Adventures is a mobile service and can be used in a number of waterways and beaches along the Causeway Coast.

www.giantadventures.co.uk

07738 128 507

Flatwater

Our qualified instructors will be with you every step of the way to show you how to maximise this unique experience.

This uses the board as a Stand Up Paddleboard where everyone can learn the skills of Stand Up Paddle boarding as well as the skills of how to do it together through teamwork and communication. Flat water can consist of a number of different locations from inland waterways to flat open water.

Surfing

This takes the adventure to a completely different level where Giant Adventures becomes an adrenaline pumping activity and a unique experience.

Our qualified coaches, who will be with you all the time, will instruct you in the skills needed to work as a team in order to crash out through the surging waves and ride them all the way back to shore. It does not get more exciting than this!
(Maximum of 6 people surfing)

Nature

No place like home

At Long Line we pride ourselves in offering our services within Binevenagh Area of Outstanding Natural Beauty and the fact that everything we do is in the great outdoors.

So when we are not in the water we are in the forest. Let the group develop or improve their communication, team building and creativity skills while exploring nature and even task them to build their very own shelter in the woods.

www.longlinesurfschool.co.uk

07738 128 507

Together with nature

Confidence building is used throughout all Long Line Activities but in order to include everyone we have a variety of activities. Fun, simple and effective.

- Capture the flag
- Forest and beach art
- Sand sculpture classes
- Team building challenges

Seas for life

Surfers Against Sewage Beach Cleans.
Help look after our coastline and let us organise a beach clean for your group.

- All equipment for litter picking will be supplied.
- Educational and environmental talk to explain why we must look after our coastline.
- Public Liability Insurance included by Surfers Against Sewage.
- Press coverage can be supplied by Surfers Against Sewage and the local media to acknowledge your great contribution.
- Available for beaches all along the Causeway Coast.

Residential

Downhill Beach House

Provides for small or large group accommodation in a restored Victorian villa facing Downhill beach.

The Beach House has 9 bedrooms, each sleeping at least 4 people and 2 rooms that sleep up to 7 people. The dining room sits 24+ and there is a well equipped self-catering kitchen.

With residential trips the majority of water sports and beach activities will take place at Downhill Beach directly in front of the accommodation. This will save you time and money on transportation through the days of your stay.

02870 849 077

Work up an appetite

Downhill Beach House can be booked as a self catering residential but if you feel like after all that fun and exercise you don't want to start cooking for a number of hungry people then let us make it easy for you and use our catering friends who can organise breakfast, lunch and dinner with a variety of options to make everyone happy.

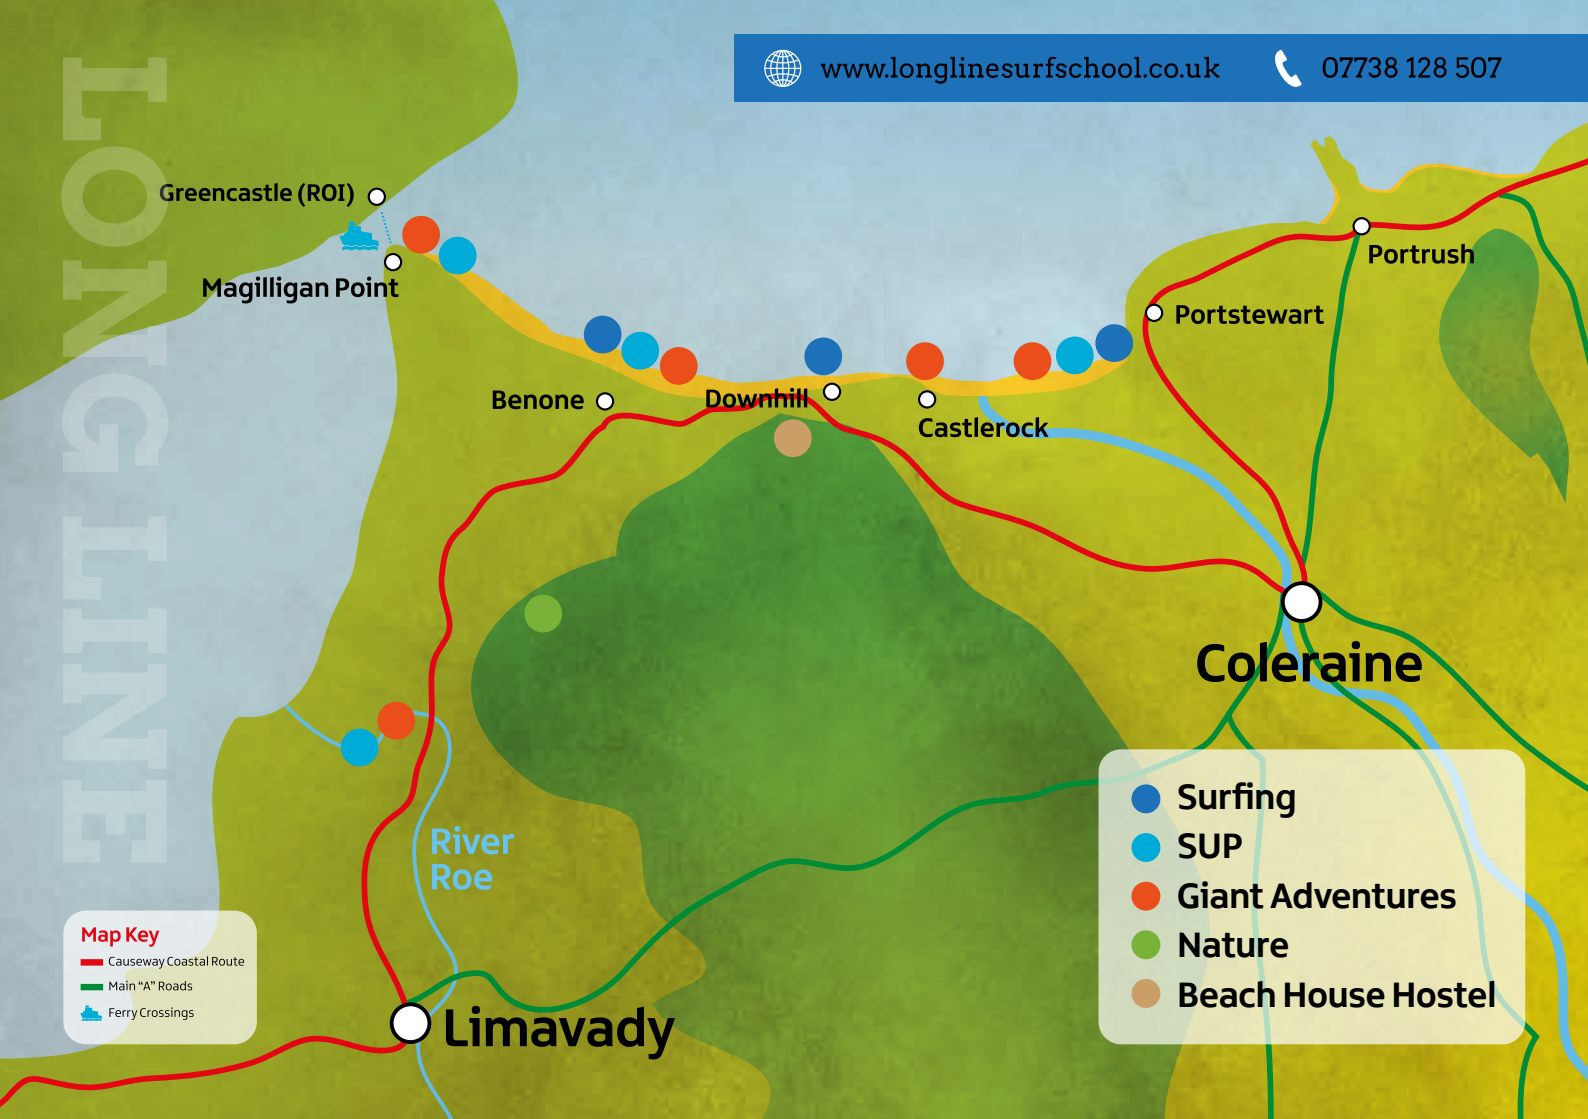

Single meals are also possible whether it is a packed lunch or an evening meal. If you really want to encourage the beach lifestyle we can even organise a Barbeque with all the trimmings.

Lets not stop at the Sun Set

After the day activities have finished and the surfboards have been packed away we can still be there to keep the party going with light evening entertainment. Following the surfing lifestyle we offer:

- Outdoor Movie Night with popcorn and drinks
- Camp fire with Marshmallows
- LED or Fire Hula Hoop display by Harlequin Hoop Dancers

Map Key
